Milwaukee,Wisconsin.

Gentlemen:-

We have to acknowledge receipt of your letter of September 24th, with reference to the booth you are going to have at the coming Milwaukee Radio Show, and we note you have requested any parts of our manufacture that could be used in the construction of such a station.

You mention only head phones,although we are quite confident that other Frost Radio Products could be used to advantage by you. We are attaching herewith complete descriptive literature on both Frost and Remler materials and are entering order for 1 pair of No.175 Frost-Fones to be shipped to you immediately on a no charge basis. If there are additional items in the Frost or Remler line which you can use, we will be glad to have you advise us and the matter will have our further prompt attention.

Yours truly,
HERBERT H.FROST INC.

W.A.Nicely
Secretary.
